

# PERINATAL SUBSTANCE USE PROJECT

**Available to professionals,  
pregnant & parenting women, and families**

## **Treatment Referrals**

- Screening, information and appropriate referrals for women throughout North Carolina who are pregnant or parenting and using substances.
- Updated listing of available perinatal and maternal substance abuse treatment beds (residential services) throughout the state.

## **Technical Support**

- Technical assistance to agencies working with pregnant and parenting women on issues related to substance abuse.

## **Education & Outreach**

- Gender-specific substance abuse training for agencies providing services to women who are pregnant and parenting.
- Publications for North Carolina professionals featuring news and resources related to gender-specific substance abuse treatment in North Carolina.

**Judith Johnson Jones**

**Perinatal Information and Referral Specialist**
