## Acknowledgements

We would like to recognize the many excerpts that were made, and are too numerous to cite and mention individually, from the *Substance Abuse and Reproductive Health Care*, a training manual developed by the Regional Training Center for Family Planning, Emory University School of Medicine. We gratefully acknowledge their contribution to this manual.

In addition, we would like to thank Legal Action Center of New York for allowing us to excerpt portions from their book which provides analysis of the federal regulations on confidentiality of substance use information.

Finally, we would like to thank the many people who took the time to Review and provide feedback on this manual.

**For information, call 1-800-FOR-BABY.**

To update this Manual in the year 2000, 600 copies of 13 pages were printed at a cost of \$139.70.

1,000 copies of this public document were printed at a cost of \$1173.00 or \$1.17 each.
