

Agencies Assuring Maternal Health Care (AAMHC) Audit Tool 2018–2019

Health Department: _____

Date: _____

Reviewers: _____

Local Health Departments (LHD) who do not provide prenatal care (PNC) must submit an assurance plan that clearly outlines how women who reside in its respective county will receive services. This plan must be included with the signed Maternal Health Agreement Addenda each fiscal year to be reviewed by the Women's Health Branch (WHB) staff. All LHD will ensure the following:

General Services

		Yes	No	N/A
A3	The Local Health Department that provides childbirth education to Medicaid enrollees and billed to Medicaid or provided to non-Medicaid patients as part of their use of Healthy Mothers, Healthy Children funding must provide these services in accordance with the DMA Clinical Coverage Policies.			
	Childbirth education activities not being billed to Medicaid or funded through Healthy Mothers, Healthy Children funding, such as those supported by funders such as Smart Start, are not subject to these requirements, and may follow the standards agreed upon between the funder and the Health Department.			
	Funded by another source and not subject to DMA Policy requirement.			
A4	The Local Health Department may provide Maternal Care Skilled Nurse Home Visits (MCSNHV). They will be made upon the request of the prenatal care provider to those patients who experience medical high-risk condition(s) during their pregnancy. MCSNHV requires a registered nurse who is skilled in the care of high risk pregnancy and cannot be provided in the clinic. The request must be made in the form of a written medical order with the specific risk condition(s) identified and requested skilled nursing interventions per patient plan of care and as indicated per established MCSNHV protocol.			

Quality Assurance

		Yes	No
B3	Use of interpreter services for all maternal health programs.		
B4	Demonstrates excellence in customer friendly services that meet the needs of populations that are underserved.		
B5	Increasing staff awareness of disparities in health status and service delivery, especially disparities related to race, ethnicity, disability, education, and socioeconomic status.		

Policies/Procedures

The Local Health Department shall develop and follow policies or procedures for facilitating early entry into prenatal care for the following:

		Yes	No
C1	Follow-up of positive pregnancy test to assure patient has access to healthcare provider.		
C3	Referral to Women, Infants and Children (WIC) upon making contact with a patient.		
C4	Completion of presumptive eligibility determination and referral for Medicaid eligibility determination for all patients, not just those who will remain in the Local Health Department for prenatal care services.		
C8	Provision of community and patient maternal health education services within the jurisdiction of the Local Health Department. Education services shall promote healthy lifestyles for positive pregnancy outcome.		

The Local Health Department (LHD) shall ensure the provision of the following, whether they provide prenatal care (PNC) or not:

		Yes	No
E1	Provide pregnancy testing, examination and referral as appropriate.		

Staff Requirements and Training

Agencies providing or assuring prenatal services must meet the following requirements or have the following policies:

		Yes	No	N/A
J1	At least one staff person (or subcontractor's staff person) shall attend the required Women's Health Branch Sudden Infant Death Syndrome (SIDS) Basic Training, annual update or online update (www.nichd.nih.gov/SIDS/Pages/sidsnursesce.aspx), and provide appropriate grief counseling for bereaved families in the county. Each county or district is also required to have a backup SIDS Counselor for their primary counselor. This back-up does not have to reside in the county, but should be available in cases when the primary counselor is unavailable to provide services for prolonged periods of time.			
J2	The Maternity Nurse Supervisor, Pregnancy Care Managers and Supervisors, Health and Behavior Intervention Supervisor, Clinical Social Workers and SIDS Counselors shall have active electronic mail membership and direct access to the Internet. HMHC funds can be used to finance and maintain hardware, software and subscription linkage to current local market values. The Internet connection enables participation in Women's Health Branch list serves, use of the Community Care of North Carolina (CCNC) Case Management Information System (CMIS) and Informatics Center (IC), access to other technical resources and to maternal health materials.			
	At this point not following recommendation.
