I. INTRODUCTION

Healthy Beginnings is North Carolina's minority infant mortality reduction program. Grants are awarded for a three-year period and are administered by the North Carolina Department of Health and Human Services, Division of Public Health, Women's and Children's Health Section, Women's Health Branch, Perinatal Health Unit.

The Women's Health Branch develops and promotes programs and services that protect the health and well-being of infants and of women during their childbearing years. Healthy Beginnings' goals include improving birth outcomes among minority women, reducing minority infant morbidity and mortality, and supporting families and communities. Healthy Beginnings serves women during and beyond pregnancy and their children up to two years after delivery. Evidence-based and evidence-informed interventions are used to improve the health and well-being of minority women and improve their birth outcomes.

ELIGIBILITY

Public or private nonprofit agencies (e.g. nonprofit community-based organizations, faith-based organizations, local health departments, community health centers) may apply to receive funding to implement Healthy Beginnings programs aimed to impact the reduction of minority infant mortality, and preterm and low birthweight births in their communities and thereby improve minority birth outcomes. The infant mortality rate is the number of infants who die before their first birthday per 1,000 live births.

Public or private non-profit agencies from ALL counties in North Carolina are eligible to apply.

Applications are desired from counties ranking in the top quartile (i.e., the top 25) for infant mortality rates among minority populations, and from counties with at least a two-fold racial disparity ratio. The ranking is based on the county's five-year average of infant mortality rates between 2012-2016. The counties ranking in the top quartile for infant mortality rates and racial disparity ratios shall receive a demonstrated need score as described on pages 11-13. Also, based on North Carolina's birth outcomes data, priority will be given to applications that serve African American and/or American Indian families.

FUNDING

Between 10 and 12 agencies will receive funding at an award level ranging between \$65,000 to \$80,000 annually. Funding will be available for three years, contingent upon contract compliance, program performance and the availability of funding. The funding period for contracts awarded through this competitive application process will begin June 1, 2019 and end on May 31, 2022. Funding for this program is from State funds.

II. BACKGROUND

In 1994, the North Carolina General Assembly appropriated funds to support projects that demonstrated the capacity to lower infant mortality and low birthweight rates among minority populations. The goal of Healthy Beginnings was to address the two-fold disparity between white and minority infant mortality in the State of North Carolina by focusing on areas with significant minority infant mortality. A community-based approach addressing infant mortality was mandated with a specific focus on the formulation and implementation of innovative strategies to improve birth outcomes and involvement from a variety of community organizations.

In 2016, the infant mortality rate in North Carolina was 7.2 infant deaths per 1,000 live births.¹ The minority infant mortality rate was 12 infant deaths per 1,000 live births, which includes the population categories of African Americans, American Indians and Other (all non-Hispanics).¹ In 2016, the infant mortality rates for African Americans and American Indians were 13.4 and 7.6 respectively.¹ A racial disparity still remains in the state with the African American population having an infant mortality rate over 2.6 times higher than the white population.

III. SCOPE OF SERVICES

Healthy Beginnings (HB) serves minority women during pregnancy, the postpartum period, and up to two years interconceptionally. HB services are provided to all enrolled program participants through care coordination contacts, home visits, and group education sessions. Specific program components are required during the prenatal period and during the interconception period (time period between pregnancies). All Healthy Beginnings staff are required to complete training and/or utilize educational materials identified by the Women's Health Branch for each program component.

1. Program Requirements

A. Program Staff

Each HB site shall hire a minimum of 1.0 full-time equivalent program staff person who is responsible for providing care coordination services, to all enrolled program participants. Care coordination services and the minimum requirements for the frequency and type of contacts with program participants are described under Care Coordination Services and Home Visits. HB staff responsibilities also include: coordinating and facilitating group educational sessions, planning and facilitating the Community Advisory Board (CAB) meetings, as well as planning and participating in community outreach and educational activities. Additional HB staff responsibilities are listed below and under Reporting Requirements.

i. Education and Experience Requirements

HB staff must have a minimum of a two-year associate degree in social sciences/human services or related degree with a minimum of two years of experience working in a health/social service agency, or a four-year bachelor's degree in health education/social work or related degree with one year of experience working or interning in a health/social service agency.

¹NC Department of Health and Human Services State Center for Health Statistics

B. Caseload and Enrollment Eligibility

Each HB site shall maintain a minimum caseload of 40 unduplicated minority pregnant and/or interconception women. HB sites shall serve all enrolled women and their children prenatally and up to two years interconceptionally. Eligible program participants are minority women who are pregnant or no more than 60-days postpartum at program entry. For pregnant women, every effort should be made to enroll as early in their pregnancy as possible. At least 80% of program participants must be pregnant at enrollment. No more than 20% of program participants can be enrolled during the 60-day postpartum period (up to 60 days after the baby is born).

Interconception women cannot be enrolled into HB after the 60-day postpartum period. A HB screening tool to determine program eligibility will be provided to each HB site before the contract start date.

C. Care Coordination Services and Home Visits

HB staff shall provide care coordination services to all enrolled program participants. Under HB, care coordination services include conducting assessments and screenings and providing education, support and referrals to program participants. HB staff shall provide a minimum of 12 monthly care coordination contacts per year, which equates to one contact per month. At least six (6) of the 12 contacts must be home visits and the remaining six (6) contacts can be conducted by phone or in-person (in the office, clinic, or community location). The annual time-period for the 12 care coordination contacts begins on the program participant's enrollment date. One additional home visit (or visit in hospital) is required within one week after the baby's birth, or as soon as possible thereafter, for all program participants who enrolled prenatally.

D. Program Components

HB staff shall provide care coordination services (as described above) under each program component. The program components required during the prenatal period for pregnant participants and during the interconception period for interconception participants, are listed below:

i. Prenatal Period – Pregnant Participants:

a. Breastfeeding

HB staff shall provide breastfeeding education and conduct an assessment on the participants' plan to breastfeed. HB staff will provide education during pregnancy to support their plan. HB staff will also provide education and resources to fathers/partners and family members on breastfeeding and ways to support breastfeeding mothers.

b. Depression Screening

HB staff shall screen participants for depression during pregnancy using the self-administered Edinburgh Postnatal Depression Scale (EPDS). HB staff shall follow the Healthy Beginnings EPDS Policy and Procedures for screening, interpreting scores, re-screening, and providing education and referrals when indicated. The HB EPDS Policy and Procedures will be provided by the Women's Health Branch.

c. Folic Acid/Multivitamins

HB staff shall provide education and support to ensure that participants are consuming a multivitamin that contains the recommended daily allowance of folic acid and other

nutrients needed during pregnancy (commonly found in prenatal vitamins). HB staff shall provide referrals or resources to obtain prenatal vitamins (if available) and conduct monthly assessments to ensure that participants are taking folic acid/prenatal vitamins daily.

d. Healthy Weight and Physical Activity

HB staff shall provide education on the recommended healthy weight gain range during pregnancy based on the participants pre-pregnancy body mass index (BMI), along with education and support on nutrition and physical activity during pregnancy. HB staff will also offer education and resources to fathers/partners and family members on healthy eating and physical activity.

e. Infant Safe Sleep Practices

HB staff shall provide education to participants, fathers/partners and family members on current infant safe sleep practices to help them prepare a safe sleep environment before the baby is born. HB staff will provide resources and referrals for infant items that are approved for safe sleep environments when available.

f. Prenatal Care

HB staff shall provide education and support to ensure that participants are receiving early and continuous prenatal care during pregnancy. HB staff shall provide participants with referrals to prenatal care providers when they are not receiving prenatal care at enrollment. HB staff shall conduct monthly assessments to ensure that participants are receiving continuous prenatal care.

g. Reproductive Life Planning

HB staff shall conduct a reproductive life plan assessment with participants and provide education during pregnancy to support their plan. HB staff will provide education on the risks of short interpregnancy intervals (repeat pregnancies sooner than 18 months). HB staff will also offer education and resources to fathers/partners on effective contraceptive methods.

h. Tobacco Use/Smoking Cessation and Eliminating Secondhand Smoke Exposure

HB staff shall conduct monthly assessments and provide education and advice to help participants quit using tobacco products (including e-cigarettes and vaping) and eliminate their exposure to secondhand smoke. HB staff shall provide education and support to participants who are smoking or using other tobacco products using the 5A's. The 5A's (Ask, Advise, Assess, Assist, and Arrange) is a brief, evidence-based intervention that can help participants quit using tobacco. HB staff will also offer education and resources to help fathers/partners and family members quit using tobacco products and provide education on the risks of secondhand smoke exposure. HB staff shall refer participants, fathers/partners and family members to QuitlineNC for tobacco cessation counseling.

- ii. Interconception Period – Interconception Participants
 - a. Breastfeeding

HB staff shall provide education, support and referrals to encourage breastfeeding initiation and maintenance for at least the first six months. HB staff shall conduct monthly assessments and provide ongoing support and referrals to help participants continue to breastfeed. HB staff will also provide education and support to fathers/partners and family members to support breastfeeding mothers.
 - b. Depression Screening

HB staff shall screen participants for depression during the interconception period using the self-administered Edinburgh Postnatal Depression Scale (EPDS). HB staff shall follow the Healthy Beginnings EPDS Policy and Procedures for screening, interpreting scores, re-screening, and providing education and referrals when indicated.
 - c. Healthy Weight and Physical Activity

HB staff shall provide education and support on healthy weight and physical activity during the interconception period. HB staff shall conduct assessments on participants' postpartum body mass index (BMI), no sooner than six weeks after baby's birth and at program discharge when baby turns two years of age. HB staff will also offer education and resources to fathers/partners and family members on healthy eating and physical activity.
 - d. Infant Safe Sleep Practices

HB staff shall provide education to participants, fathers/partners and family members on current infant safe sleep practices. HB staff shall conduct monthly assessments on infant safe sleep practices until the child is 12 months of age. HB staff will provide resources and referrals for infant items that are approved for safe sleep environments when available.
 - e. Multivitamins

HB staff shall provide education and support to ensure that participants are continuing to consume a multivitamin that contains the recommended daily allowance of folic acid and other nutrients. HB staff shall provide referrals or resources to obtain multivitamins (if available) and conduct monthly assessments to ensure that participants are taking multivitamins daily.
 - f. Postpartum Care

HB staff shall provide education and support to ensure that participants are receiving postpartum care checkups as determined by their medical provider. HB staff shall conduct assessments to document the date participants received their postpartum care checkups.
 - g. Reproductive Life Planning

HB staff shall conduct a reproductive life plan assessment with participants to include discussing plans for having more children and providing education on all approved contraceptive methods, from the most effective to the least effective, using a patient-

centered approach. HB staff will provide education on the risks of short interpregnancy intervals, repeat pregnancies sooner than 18 months. HB staff shall conduct monthly assessments on birth control method being used. HB staff will also offer education and resources to fathers/partners on reproductive life planning.

- h. Tobacco Use/Smoking Cessation and Eliminating Secondhand Smoke Exposure
HB staff shall conduct monthly assessments and provide education and advice to help participants quit using tobacco products (including e-cigarettes and vaping) using the 5A's. The 5A's (Ask, Advise, Assess, Assist, and Arrange) is a brief, evidence-based intervention that can help participants quit using tobacco. HB staff shall conduct monthly assessments and provide education and advice to help eliminate participants' and their child(ren)'s exposure to secondhand smoke. HB staff will also offer education and resources to help fathers/partners and family members quit using tobacco products (including e-cigarettes and vaping) and provide education on the risks of secondhand smoke exposure. HB staff shall provide referrals to participants, fathers/partners and family members to QuitlineNC for additional tobacco cessation counseling.
- i. Well-Child Visits
HB staff shall provide education and referrals to participants to ensure their children are receiving all of the recommended well-child care and immunizations based on the recommendations for preventive pediatric health care from Bright Futures/American Academy of Pediatrics. HB staff shall conduct monthly assessments to ensure that well-child care visits are being received.

E. Education and Training

Healthy Beginnings (HB) staff shall participate in quarterly program webinars, an annual skill building workshop, and other trainings required by the Healthy Beginnings Program Manager. HB staff shall receive education and training in the topics listed below. Please refer to Appendix C for detailed information on the required trainings (including cost and location) and educational materials and resources described below.

- i. Breastfeeding
HB staff shall attend the North Carolina Division of Public Health (NC DPH), Nutrition Services Branch, Breastfeeding Peer Counselor Core Training. This training will provide HB staff with the knowledge and skills to educate and promote breastfeeding to program participants during pregnancy to assist them in making informed decisions for feeding their baby. For program participants, who initiate breastfeeding after birth, the HB staff will reinforce education provided prenatally and provide support in the form of phone consultation and/or referral to lactation experts in the community. HB staff shall receive education on the important role fathers/partners have in breastfeeding decision making to further encourage initiation and maintenance of breastfeeding among program participants.
- ii. Depression Screening
HB staff shall receive training from the Women's Health Branch on the Edinburgh Postnatal Depression Scale (EPDS) and the policy and procedures for the use of the EPDS with program participants during the prenatal period and interconception period.

- iii. Folic Acid/Multivitamins
HB staff shall utilize the March of Dimes educational materials on folic acid, prenatal vitamins, nutrients need before, during and after pregnancy.
- iv. Healthy Weight and Physical Activity
HB staff shall utilize the American College of Obstetricians and Gynecologists (ACOG), NC DPH, Nutrition Services Branch, and Eat Smart, Move More NC's recommendations and educational materials on appropriate weight gain, nutrition and physical activity during pregnancy, and healthy eating and physical activity during the interconception period.
- v. Home Visiting
HB staff shall receive training in the Florida State University's Partners for a Healthy Baby (PHB) home visiting curriculum and utilize this curriculum when conducting home visits with program participants. HB staff will be required to educate program participants on specific PHB curriculum content during the prenatal period and during the interconception period. The list of required PHB curriculum content will be provided to each funded program site by the Healthy Beginnings Program Manager once funds are awarded. Please refer to Appendix C for more information including costs for PHB training.
- vi. Infant Safe Sleep Practices
HB staff shall receive training on infant safe sleep practices to provide program participants, fathers/partners and family members with education on how to create safe sleep spaces to reduce the incidence of sleep-related infant deaths.
- vii. Labor and Birth
HB staff shall receive basic education on pregnancy and birth education from the NC DPH, Women's Health Branch. This education will help HB staff provide information and support to pregnant program participants and their families. The information HB staff provides, on evidence-informed birth practices and strategies, will help participants and their families make informed decisions related to their care, and effectively communicate with health care providers during birth.
- viii. Postpartum Care
HB staff shall utilize the recommendations from the American College of Obstetricians and Gynecologists (ACOG) Committee Opinion on Optimizing Postpartum Care to ensure that participants are receiving postpartum care.
- ix. Reproductive Life Planning
HB staff shall receive training and educational materials from the Family Planning National Training Center on the current methods of birth control, which will include the benefits, potential side effects and effectiveness rates for each method; and training on how to help program participants create reproductive life plans.
- x. Tobacco Use/Smoking Cessation and Eliminating Secondhand Smoke Exposure

HB staff shall receive training on evidenced-based tobacco cessation counseling and utilize educational materials to help program participants, fathers/partners and family members quit using tobacco and eliminate exposure to secondhand smoke.

xi. Well-Child Visits

HB staff shall utilize the recommendations for preventive pediatric health care up until two years of age from Bright Futures/American Academy of Pediatrics.

F. Group Educational Sessions

Each HB site shall provide a minimum of seven (7) group educational sessions per year. Six (6) group educational sessions shall be provided to all enrolled program participants. Possible group educational session topics are: infant safe sleep practices, reproductive life planning, pregnancy and birth, breastfeeding, nutrition and physical activity, tobacco use/smoking cessation, and well-child visits. It is recommended that topics are chosen based upon the needs of and requests from program participants. HB staff shall encourage program participants to attend these group educational sessions with fathers/partners and family members.

The 7th group educational session shall be provided to fathers/partners or other family members and pregnant program participants and program participants who are breastfeeding. It is highly recommended that this session is held during the prenatal period so that decisions on infant feeding can be made before the participant gives birth. This group educational session will cover the father's/partner's involvement during pregnancy and after the baby is born, how fathers/partners can connect with the baby and the mom, and the father's/partner's role in breastfeeding and supporting the mom.

HB staff shall develop and administer a pre-test and post-test for each group educational session to measure the percentage of knowledge gained by program participants. HB staff can include a question on the pre-test or post-test to request topics for group educational sessions from program participants. The Healthy Beginnings Program Manager will provide examples of pre-tests and post-tests to each HB site. HB staff shall follow the Eat Smart, Move More NC's guidelines for healthy foods and beverages at group educational meetings, if applicable. These guidelines can be found at: www.MyEatSmartMoveMore.com.

G. Community Advisory Board

Each HB site shall maintain a Community Advisory Board (CAB) that convenes at least quarterly (a minimum of four times per year) and more often as needed. The CAB shall have a minimum of ten (10) members, not including HB staff. The CAB membership shall include at least two (2) Healthy Beginnings program participants (current or past enrollees) along with at least eight (8) representatives from health and human service agencies and other community entities such as: hospitals/health care organizations, schools/educational institutions, local businesses, churches/faith-based organizations, and women and family support services agencies. At least one HB program participant CAB member must be in attendance for 75% of CAB meetings (at least three meetings per year). The CAB shall be responsible for advising and assisting HB staff to provide high quality and appropriate services to the program participants, providing feedback for program improvement to meet service deliverables, reviewing educational and promotional materials developed by the program to ensure appropriateness for

the community, promoting and supporting the program in the community, and assisting HB staff to obtain resources.

CAB meeting minutes shall be taken at every meeting to document the work of the CAB. Meeting minutes should include the names of the individuals and organizations in attendance. Educational and promotional materials review should be documented in the meeting minutes and include the name and purpose of the materials, and the CAB recommendations regarding the use of such materials.

H. Community Outreach and Education

HB staff shall conduct and/or participate in four (4) community outreach and education activities (e.g. radio broadcasts, newspaper articles, health fairs, and provider training sessions) per year. These community outreach and education activities shall be related to improving birth outcomes and maternal health among minority women. HB sites are encouraged to include fathers/partners and family members in their community outreach and education activities.

I. Program Performance Outcome Measures

- i. At least 80% of pregnant program participants shall begin receiving prenatal care in the first trimester.
- ii. At least 90% of program participants enrolled prenatally shall receive a home visit (or visit in hospital) within one week, or as soon as possible thereafter, of baby's birth.
- iii. At least 35% of interconception program participants shall initiate breastfeeding and maintain for at least six months.
- iv. At least 90% of interconception program participants shall receive their postpartum checkup.
- v. At least 95% of program participants shall receive depression screening within 30 days of enrollment.
- vi. At least 90% of interconception program participants shall experience an interpregnancy interval greater than 18 months.
- vii. At least 40% of all program participants will attend each group educational session.
- viii. At least 80% of all program participants shall report increased knowledge of maternal and child health topics.

2. **Reporting Requirements**

A. Program Forms

HB staff shall utilize the Healthy Beginnings (HB) forms to: screen for program eligibility; conduct assessments and monthly contacts; screen for depression; document program participant information, and education and referrals provided under each program component; and document care coordination services provided during the prenatal and interconception periods. Care coordination services also include providing information and referrals for: prenatal and primary

care, transportation, child care, school, employment, mental health, substance use, and intimate partner violence. Information and referrals are provided based upon the program participant's needs and the resources available. The current HB forms can be found at: <http://whb.ncpublichealth.com/provPart/forms.htm>. Revisions will be made to the current HB forms, and new forms will be developed, before the contract start date. HB forms training will be required and provided by the Healthy Beginnings Program Manager.

B. Program Database

Each HB site shall utilize the Healthy Beginnings Database (HBD) to enter program participant-level data on a monthly and quarterly basis. The HBD is a file developed in the Microsoft Excel software program. HB staff are responsible for accurate and timely data entry in the HBD file provided to each HB site annually. Each HB site shall submit quarterly database reports. Database report submission dates will be determined by the Healthy Beginnings Program Manager. HBD training will be required and provided by the Healthy Beginnings Program Manager.

C. Program Reports

- i. Each HB site shall submit biannual program reports that provide detailed information on program deliverables and performance outcome measures. Program report submission dates will be determined by the Healthy Beginnings Program Manager.
- ii. Each HB site shall administer the HB participant satisfaction survey to program participants annually to obtain programmatic feedback. A summary of HB participant satisfaction survey responses shall be submitted to the Healthy Beginnings Program Manager annually. The submission dates will be determined by the Healthy Beginnings Program Manager. A copy of the HB participant satisfaction survey can be found in Appendix D.

D. Expenditure Reports

- i. Each HB site shall submit a monthly report outlining the previous months expenditures. A copy of the expenditure report forms will be provided by the Healthy Beginnings Program Manager before the contract start date.

Who May Apply

Public or private non-profit agencies (e.g. nonprofit community-based organizations, faith-based organizations, local health departments, community health centers) interested in improving birth outcomes and maternal health among minority women in their communities are eligible to apply. Public or private non-profit agencies from all counties in North Carolina are eligible to apply. For-profit agencies need not apply.

Potential applicants should consider whether their agency has the capacity to administer the state grant funds if awarded. Recipients of state funds are expected to have established in writing certain general agency policies including personnel and financial accounting policies. Funds to grantees will be dispersed on a cost reimbursement basis only and agencies should carefully consider if they have the capacity to implement the program under this system.

Demonstration Need Scores

In an effort to make an impact in reducing infant mortality rates among minority populations and reducing the two-fold disparity between white and African-American and American Indian infant

mortality in North Carolina, two categories of counties will receive additional scores based on need. This includes the counties that rank in the top quartile (i.e. the top 25) in minority infant mortality and the counties with the highest disparity ratio in infant mortality. The top-ranking counties were identified based on their five-year average infant mortality rates between 2012-2016. In table 1, an infant mortality need score has been assigned to the top 26 counties based upon their ranking position (refer to table 1 on page 12). There are 26 counties due to a three-way tie for the 24th ranking position. In table 2, a disparity ratio need score has been assigned to the top 25 counties based upon their ranking position (refer to table 2 on page 13). Applications are desired from agencies within these two categories. The demonstrated need score shall be added to the application score established by an objective review committee.

Performance Score (Re-Application by Current Grantees)

Agencies that are currently receiving Healthy Beginnings funding shall receive a performance rating based on their program performance and compliance during the last two years of Healthy Beginnings funding (between June 1, 2016 and May 31, 2018). The performance score will be based upon an evaluation of their program performance and compliance by reviewing submitted program and database reports, expenditure reports, program evaluation data, staff turnover, risk status and other documentation.

The performance rating shall range from negative ten (-10) points to positive ten (+10) points, which shall be added to the application score established by an objective review committee. Grantees that have consistently remained in compliance with program objectives and requirements for this contract are likely to gain points. Conversely, agencies that have experienced significant and persistent challenges in meeting program objectives or requirements for their contract are likely to lose points.

³North Carolina infant mortality disparity ratios are based on disparities between infant deaths reported among White Non-Hispanics and African American Non-Hispanics. Counties whose infant mortality rates are based on less than 10 deaths are excluded from this list, as the State Center for Health Statistics considers these rates unreliable. IV. GENERAL INFORMATION ON SUBMITTING APPLICATIONS

1. Award or Rejection

All qualified applications will be evaluated, and award made to that agency or organization whose combination of budget and service capabilities are deemed to be in the best interest of the funding agency. The funding agency reserves the unqualified right to reject any or all offers if determined to be in its best interest. Successful applicants will be notified by January 18, 2019.

2. Cost of Application Preparation

Any cost incurred by an agency or organization in preparing or submitting an application is the agency's or organization's sole responsibility; the funding agency will not reimburse any agency or organization for any pre-award costs incurred.

3. Elaborate Applications

Elaborate applications in the form of brochures or other presentations beyond that necessary to present a complete and effective application are not desired.

4. Oral Explanations

The funding agency will not be bound by oral explanations or instructions given at any time during the competitive process or after awarding the grant.

5. Reference to Other Data

Only information that is received in response to this RFA will be evaluated; reference to information previously submitted will not suffice.

6. Titles

Titles and headings in this RFA and any subsequent RFA are for convenience only and shall have no binding force or effect.

7. Form of Application

Each application must be submitted on the form provided by the funding agency and will be incorporated into the funding agency's Performance Agreement (contract).

8. Exceptions

All applications are subject to the terms and conditions outlined herein. All responses will be controlled by such terms and conditions. The attachment of other terms and conditions by any agency or organization may be grounds for rejection of that agency or organization's application. Funded agencies and organizations specifically agree to the conditions set forth in the Performance Agreement (contract).

9. Advertising

In submitting its application, agencies and organizations agree not to use the results therefrom or as part of any news release or commercial advertising without prior written approval of the funding agency.

10. Right to Submitted Material

All responses, inquiries, or correspondence relating to or in reference to the RFA, and all other reports, charts, displays, schedules, exhibits, and other documentation submitted by the agency or organization will become the property of the funding agency when received.

11. Competitive Offer

Pursuant to the provision of G.S. 143-54, and under penalty of perjury, the signer of any application submitted in response to this RFA thereby certifies that this application has not been arrived at collusively or otherwise in violation of either Federal or North Carolina antitrust laws.

12. Agency and Organization's Representative

Each agency or organization shall submit with its application the name, address, and telephone number of the person(s) with authority to bind the agency or organization and answer questions or provide clarification concerning the application.

13. Subcontracting

Agencies and organizations may propose to subcontract portions of work provided that their applications clearly indicate the scope of the work to be subcontracted, and to whom. All information required about the prime grantee is also required for each proposed subcontractor. A memorandum of agreement (MOA) between the applicant and the subcontracted agency must be included in Attachment A of the application. The MOA should clearly indicate the scope of the work to be subcontracted.

14. Proprietary Information

Trade secrets or similar proprietary data which the agency or organization does not wish disclosed to other than personnel involved in the evaluation will be kept confidential to the extent permitted by NCAC TO1: 05B.1501 and G.S. 132-1.3 if identified as follows: Each page shall be identified in boldface at the top and bottom as "CONFIDENTIAL." Any section of the application that is to remain confidential shall also be so marked in boldface on the title page of that section.

15. Participation Encouraged

Pursuant to Article 3 and 3C, Chapter 143 of the North Carolina General Statutes and Executive Order No. 77, the funding agency invites and encourages participation in this RFA by businesses owned by minorities, women and the disabled, including utilization as subcontractor(s) to perform functions under this Request for Applications.

16. Contract

The Division will issue a contract to the recipient of the RFA funding. Expenditures can begin immediately upon receipt of a completely signed contract.

V. APPLICATION PROCUREMENT PROCESS AND APPLICATION REVIEW

The following is a general description of the process by which applicants will be selected for funding for this project.

1. **Announcement of the Request for Applications (RFA)**

The announcement of the RFA and instructions for receiving the RFA will be posted at the following DHHS website on **Monday, October 29, 2018**:

<http://www.ncdhhs.gov/about/grant-opportunities/public-health-grant-opportunities> and may be sent to prospective agencies and organizations via direct mail, email, and/or the Program's website.

2. **Distribution of the RFA**

The RFA will be posted on the Women's Health Branch website at

<http://whb.ncpublichealth.com/> and may be sent via email to interested agencies and organizations beginning **Monday, October 29, 2018**.

3. **Mandatory Pre-Application Webinar**

All prospective applicants are required to participate on a pre-application webinar on

Thursday, November 8, 2018 at 10:00 – 11:00 am. Webinar link:

<http://whb.adobeconnect.com/hbrfaa355/>

4. **Technical Assistance Call**

An optional technical assistance conference call will be held on **Thursday, November 15, 2018** from **10:00 – 11:00 am** call-in phone number is **919-501-4272**.

5. **RFA Consultation Period**

Questions concerning the specifications in this RFA will be received **until 4:30 pm on Tuesday, November 27, 2018** by email to renee.jackson@dhhs.nc.gov or by phone at 919-707-5714. As an addendum to this RFA, a summary of all questions and answers will be e-mailed to all eligible applicants on **Tuesday, December 4, 2018**. Eligible applicants are those agencies who participated on the mandatory bidder's webinar and submitted the mandatory notice of intent (see below).

6. **Mandatory Notice of Intent**

Any agency that plans to submit an application is required to submit a non-binding notice of intent no later than **5:00 pm on Tuesday, November 27, 2018**. Confirmation of receipt will be provided in response. Agencies that do not submit a notice of intent by the deadline shall not be eligible to respond to this RFA. The link to submit a notice of intent is:

<https://www.surveymonkey.com/r/hbrfaA355>.

The following information will be requested in the notice of intent:

- The legal name of the agency.
- The name, title, phone number, mailing address, and email address of the person who will coordinate the application submission.
- County where services will be provided.

7. Applications

Applicants shall submit an original and four (4) copies of the application. All copies shall include the required attachments. Electronic submission will not be accepted in lieu of an original. Faxed applications will not be accepted.

8. Original Application

The original application must contain original documents, and all signatures in the original application must be original. Mechanical, copied, or stamped signatures are not acceptable. The original application should be clearly marked “original” on the application face sheet.

9. Copies of Application

Along with the original application, submit four (4) photocopies of the application in its entirety. Copies of the application should be clearly marked “copy” on the application face sheet.

10. Format

The application must be typed, printed single-side on 8.5” x 11” paper with margins of 1”, and each page must be numbered. Line spacing should be single-spaced. The font should be easy to read and no smaller than an 11-point font.

11. Space Allowance

Page limits are clearly marked in each section of the application. Points will be deducted from the score of each application if page limits are exceeded.

12. Application Deadline

Applications shall be received until **5:00 p.m. on Monday, December 17, 2018. Applications that arrive after the deadline shall not be considered even if they are postmarked on or before the deadline.** Faxed or emailed applications **will not** be accepted in lieu of the original application and required number of hard copies. Original signatures are required.

13. Receipt of Applications

Applications from each responding agency and organization will be logged into the system and stamped with the date received on the cover sheet.

14. Review of Applications

Applications are reviewed by a multi-disciplinary committee of public and private health and human services providers who are familiar with the maternal and child health issues. Staff from applicant agencies may not participate as reviewers. The committee will review each application for completeness, content and quality of responses to each item on the application. The committee uses a standardized set of criteria based on various factors to establish a score for each application and provides recommendations for funding. Any application missing required components or not following instructions (including going over page limits) will have **5** points deducted from the score determined by the review committee. The demonstrated need scores and performance scores, as described in this RFA, are added to the application score established by the review committee.

The State reserves the right to conduct site visits as part of the application review and award process. The award of a grant to one agency and organization does not mean that the other applications lacked merit, but that, all facts considered, the selected application was deemed to provide the best service to the State. Agencies and organizations are cautioned that this is a request for applications, and the funding agency reserves the unqualified right to reject any and all applications when such rejections are deemed to be in the best interest of the funding agency.

15. Request for Additional Information

At their option, the application reviewers may request additional information from any or all applicants for the purpose of clarification or to amplify the materials presented in any part of the application. However, agencies and organizations are cautioned that the reviewers are not required to request clarification. Therefore, all applications should be complete and reflect the most favorable terms available from the agency or organization.

16. Audit

Please be advised that successful applicants may be required to have an audit in accordance with G.S. 143C-6-22 and G.S. 143C-6-23 as applicable to the agency's status.

G.S. 143C-6-23 requires every nongovernmental entity that receives State or Federal pass-through grant funds directly from a State agency to file annual reports on how those grant funds were used.

There are 3 reporting levels which are determined by the total direct grant receipts from all State agencies in the entity's fiscal year:

Level 1: Less than \$25,000

Level 2: At least \$25,000 but less than \$500,000

Level 3: \$500,000 or more

Level 3 grantees are required to submit a "Yellow Book" Audit done by a CPA. Only Level 3 grantees may include audit expenses in the budget. Audit expenses should be prorated based on the ratio of the grant to the total pass-through funds received by the entity.

17. Assurances

The contract may include assurances that the successful applicant would be required to execute prior to receiving a contract as well as when signing the contract.

18. Additional Documentation to Include with Application

All applicants are required to include documentation of their tax identification number.

Those applicants which are private non-profit agencies are to include a copy of an IRS determination letter regarding the agency's 501(c)(3) tax-exempt status. (This letter normally includes the agency's tax identification number, so it would also satisfy that documentation requirement.)

In addition, those private non-profit agencies are to provide a completed, signed, and notarized page verifying continued existence of the agency's 501(c)(3) status. An example of this page is provided in Appendix B entitled *Verification of 501(c)(3) Status*.

19. Federal Certifications

Agencies or organizations receiving Federal funds would be required to execute Federal Certifications regarding Non-discrimination, Drug-Free Workplace, Environmental Tobacco Smoke, Debarment, Lobbying, and Lobbying Activities. A copy of the Federal Certifications is included in this RFA for your reference (see Appendix F). Federal Certifications should NOT be signed or returned with application.

20. System for Award Management Database (SAM)

All grantees receiving federal funds must be actively registered in the federal government's System for Award Management (SAM) database or be willing to complete the registration process in conjunction with the award (see www.sam.gov). To maintain an active SAM record, the record must be updated no less than annually.

21. Additional Documentation Prior to Contract Execution

Contracts require more documentation prior to contract execution. After the award announcement, agencies will be contacted about providing the following documentation:

- a. A completed and signed letter from the agency's Board President/Chairperson identifying individuals as authorized to sign contracts (a reference version appears in Appendix F).
- b. A completed and signed letter from the agency's Board President/Chairperson identifying individuals as authorized to sign expenditure reports (a reference version appears in Appendix F).
- c. Documentation of the agency's DUNS number. Documentation consists of a copy of communication (such as a letter or email correspondence) from Dun & Bradstreet (D&B) which indicates the agency or organization's legal name, address, and DUNS number. In lieu of a document from D&B, a copy of the agency or organization's SAM record is acceptable.

If your agency does not have a DUNS number, please use the D&B online registration (<http://fedgov.dnb.com/webform>) to receive one free of charge. (DUNS is the acronym for the Data Universal Numbering System developed and regulated by D&B.)

Contracts with private non-profit agencies require additional documentation prior to contract execution. After the award announcement, private non-profit agencies will be contacted about providing the following documentation:

- a. A completed, signed, and notarized statement which includes the agency's Conflict of Interest Policy (a reference version appears in Appendix F).
- b. A completed, signed, and notarized page certifying that the agency has no overdue tax debts (a reference version appears in Appendix F).

All grantees receiving funds through the State of North Carolina are required to execute Contractor Certifications Required by North Carolina Law. A copy of the certifications is included in this RFA for your reference (see Appendix F). Contractor Certifications should NOT be signed or returned with application.

Note: At the start of each calendar year, all agencies with current DPH contracts are required to update their contract documentation. These agencies will be contacted a few weeks prior to the due date and will be provided the necessary forms and instructions.

22. Registration with Secretary of State

Private non-profit applicants must also be registered with the North Carolina Secretary of State to do business in North Carolina or be willing to complete the registration process in conjunction with the execution of the contract documents. (Refer to: https://www.sosnc.gov/divisions/business_registration)

23. Federal Funding Accountability and Transparency Act (FFATA) Data Reporting Requirement

The Contractor shall complete and submit to the Division, the Federal Funding Accountability and Transparency Act (FFATA) Data Reporting Requirement form within 10 State Business Days upon request by the Division when awarded \$25,000 or more in federal funds. A reference version appears in Appendix F.

24. Iran Divestment Act

As provided in G.S. 147-86.59, any person identified as engaging in investment activities in Iran, determined by appearing on the Final Divestment List created by the State Treasurer pursuant to G.S. 147-86.58, is ineligible to contract with the State of North Carolina or any political subdivision of the State.

25. Boycott Israel Divestment Policy

As provided in Session Law 2017-193, any company that boycotts Israel, determined by appearing on the Final Divestment List created by the State Treasurer pursuant to Session Law 2017-193 is ineligible to contract with the State of North Carolina or any political subdivision of the State.

26. Application Process Summary Dates

1/18/19	Successful applicants will be notified.

VI. COMPLETING THE APPLICATION

Cover Letter

A cover letter on agency letterhead must be signed by the lead administrator of the agency submitting the application and include the information provided in the cover letter template (Appendix A).

APPLICATION FORM

The complete application form can be downloaded from the Women's Health Branch website at <http://whb.ncpublichealth.com/> on October 29, 2018. The application form in Appendix B is for reference only.

Application Face Sheet

The Application Face Sheet serves as the cover page for the application. It provides basic information about the applicant and the proposed project with Healthy Beginnings, including the signature of the individual authorized to sign "official documents" for the agency. Complete the application face sheet with all of the information requested. The name and contact information of the person best suited to answer questions about the proposed project should be included on the face sheet.

Applicants must enter their Data Universal Numbering System (DUNS) number, which is developed and regulated by Dun & Bradstreet. If your agency does not have a DUNS number, please use the Dun & Bradstreet (D&B) online registration (<http://fedgov.dnb.com/webform>) to receive one free of charge.

SECTION 1: NEEDS ASSESSMENT

In order to improve minority maternal and infant health outcomes in their communities, applicants must: 1) understand the factors that contribute to high infant mortality rates among minority populations; 2) understand the factors that contribute to poor maternal health outcomes among minority women of childbearing age; 3) assess which of the factors are most relevant for the population they intend to serve; and 4) determine which factors can be impacted by Healthy Beginnings.

Evidence of Need

Although applications from counties that are among the top quartile for minority infant mortality rates will receive a demonstrated need score, as described in this RFA, **all** applicants must convincingly describe and document the need for services in a specific community, such as a county or a town/city. Appropriate and recent data should be provided as evidence to support the statement of need as related to the goals of Healthy Beginnings. Please refer to Appendix E for a list of recommended data resources. The following data must be included for **minority populations**:

- State and county infant mortality rates;
- State and county low and very low birth weight rates;
- State and county preterm birth rates,
- State and county prenatal care initiation rates;
- State and county percentages of women who received adequate prenatal care;
- State and county smoking during pregnancy rates; and
- State and county statistics for women who gave birth (i.e. age, education level, health status, pre-pregnancy body mass index).

Population to Be Served

Applicants must describe the specific population to be served within the community. This description should include factors that have an impact on birth outcomes, such as: race/ethnicity, age, educational level, income level, housing, nutrition, stress, substance use, and intimate partner violence. Please note that it is not sufficient to state that the potential participants are at “high risk.”

Additional relevant data should be included beyond these requirements. Applicants are encouraged to present data in tables or graphs as appropriate.

Citations

Appropriate data sources must be cited in the needs assessment. One way this can be done is by using endnotes. If you use endnotes, the citation list can be included on a separate page and will not count against the page limit for this section. For further information on citing references using endnotes, please refer to the handout entitled “Endnote Citation Guidance” posted on the Women’s Health Branch website at: <http://whb.ncpublichealth.com/>.

SECTION 2: PROGRAM PLAN

Applicants will be required to describe in detail their program planning and implementation, including participant recruitment and retention. Please refer to the Scope of Services section of this RFA for details. Applicants will describe how their program will meet or exceed the Healthy Beginnings service deliverables, and describe the activities involved to meet the deliverables. Applicants will describe how their program will conduct assessments and screenings and provide education, support and referral services for each program component. Applicants will describe how their program will meet each of the program performance outcome measures. Applicants will describe how they plan to address issues that affect meeting program requirements such as: loss of contact with program participants, no shows for home visits, and low attendance at group educational sessions.

SECTION 3: DATA COLLECTION AND EVALUATION

Applicants will be required to describe who will be responsible for collecting process evaluation data. Process evaluation documents and analyzes program implementation, such as number of participants served, number of care coordination monthly contacts, number of group education sessions held, etc. Applicants will be required to describe how participant records will be kept confidential, and who will be responsible for entering participant-level data in the Healthy Beginnings (HB) database, monitoring the HB database, and submitting quarterly HB database reports. Applicants will be required to describe who will be responsible for collecting and reviewing feedback from HB program participant satisfaction surveys; how will feedback be used for program improvement; and who will submit the annual survey summary to the Healthy Beginnings Program Manager. Applicants will be required to describe who will be responsible for developing and administering the pre-tests and post-tests for each group educational session; calculating the percent increase in knowledge; and ensuring confidentiality and anonymity.

SECTION 4: AGENCY ABILITY

Agency Overview

Applicants will be required to describe their agency's mission, background and services and how these relate to the Healthy Beginnings goals. Applicants should describe their experience working with minority communities and implementing maternal and infant health programs in the community. Applicants who are or have been funded to implement Healthy Beginnings should describe their experience, including success and challenges experienced. The agency's organizational chart and list of current Board of Directors must be included in Attachment B.

Agency Capacity

Applicants should consider whether their agency has the capacity to administer a state grant if funds are awarded. Recipients of state funds are expected to have established written general agency policies including personnel and financial accounting policies. Funds to grantees will be dispersed on a cost reimbursement basis only and agencies should carefully consider if they have the capacity to implement the program under this system. Applicants will be required to describe their capacity to implement the program under a cost reimbursement system. A copy of the applicant agency's prior year audit report or financial statement must be included in Attachment B.

Staff Turnover

The development and ultimate success of a program can be thwarted by frequent staff turnover, which is often caused in part by salaries that are not comparable to similar professional positions in the county. Applicants are expected to propose a competitive salary. Applicants will be required to describe their recent history of staff turnover and how they will minimize staff turnover during the grant period.

Staff Training

Applicants will be required to describe the staff positions needed to implement and support the program, and the process for recruiting and hiring staff if they are not currently in place. Applicants will be required to list the trainings and dates that staff received trained for specific program components (listed under Education and Training in the Scope of Services section of this RFA). Please refer to Appendix C for detailed information on the required training programs.

Program staff need to have experience working with minority women, children and families; providing education on maternal and child health topics; conducting home visits, conducting community outreach; and working with community partners and developing resource and referral networks. If program staff is already in place, please provide a job description and resume for each program staff position in Attachment B. If program staff is not in place, please provide a job description for each program staff position in Attachment B.

SECTION 5: COMMUNITY INVOLVEMENT

Community Advisory Board (CAB)

Applicants will be required to describe how they will establish a Community Advisory Board (CAB) that consists of a minimum of 10 members, not including HB staff. The CAB shall include at least eight (8) members representing health and human service agencies and other community entities and at least two (2) Healthy Beginnings program participants (current or past enrollees). If an applicant has an existing CAB for HB, they will be required to describe how CAB members (including program participants) are engaged and involved in program improvement, what agencies are currently

represented on the CAB and what agencies are missing, and what are their plans for recruiting new members.

Each CAB member and/or proposed CAB member must submit a letter of specific commitment. The letters should be unique and written from the point of view of the individual and specify what the individual will contribute to the CAB. Letters of specific commitment must be included in Attachment A.

Agency Collaboration

Applicants are expected to collaborate with other agencies to assist with implementing the proposed program. A Memorandum of Agreement (MOA) must be included from each agency that is committed to the following: referring potential participants; providing meeting space; assisting with transportation needs; and providing childcare or other resources. All Memoranda of Agreement must be included in Attachment A.

No more than one MOA per agency should be included, and each MOA should include the following:

- Specific contribution from the agency to the program
- Specific commitment to provide an agency representative to participate on the CAB (if applicable)

Referrals

Program participants may have needs that are beyond the scope of the program. In order to provide appropriate services for program participants, applicants must identify appropriate referral agencies and have a Memorandum of Agreement (MOA) with each agency. Referrals may be made for issues related to contraception, intimate partner violence, mental health, and substance use. Applicants must describe how they will determine that referrals were completed. All Memorandums of Agreement must be included in Attachment A.

No more than one MOA per agency should be included, and each MOA should include the following:

- Specific contribution from the agency to the program
- Specific commitment to provide an agency representative to participate on the CAB (if applicable)

SECTION 6: BUDGET

Budget and Justification

Applicants must complete the **Open Windows Budget Form** for the first year of the three-year funding period. The Open Windows Budget Form requires a line item budget and a narrative justification for each line item. The Open Windows Budget Form and Instructions can be downloaded from the Women's Health Branch website at <http://whb.ncpublichealth.com/> on October 29, 2018.

Narrative Justification for Expenses

A narrative justification must be included for every expense listed in the budget. Each justification should show how the amount on the line item budget was calculated, and it should be clear how the expense relates to the project.

Travel Reimbursement Rates

Mileage reimbursement rates must be based on rates determined by the North Carolina Office of State Budget and Management (OSBM). Because mileage rates fluctuate with the price of fuel, the OSBM will release the “Change in IRS Mileage Rate” memorandum to be found on OSBM’s website when there is a change in this rate. The current state mileage reimbursement rate is 54.5 cents per mile. For other travel related expenses, please refer to the current rates for travel and lodging reimbursement, presented in the chart below. However, please be advised that reimbursement rates periodically change. The Division of Public Health will only reimburse for rates authorized in OSBM’s North Carolina Budget Manual or adopted by means of an OSBM Budget Memo. These documents are located at <https://www.osbm.nc.gov/library>.

Current Rates for Travel and Lodging

Meals	In-State	Out-of-State
Breakfast	\$8.40	\$8.40
Lunch	\$11.00	\$11.00
Dinner	\$18.90	\$21.60
Total Meals Per Diem Per Day	\$38.30	\$41.00
Lodging (<i>maximum rate per person, excludes taxes and fees</i>)	\$71.20	\$84.10
Total Travel Allowance Per Day	\$109.50	\$125.10
Mileage	\$0.545 per mile	

Audits

G.S. 143C-6-23 requires every nongovernmental entity that receives State or Federal pass-through grant funds directly from a State agency to file annual reports on how those grant funds were used.

There are 3 reporting levels that are determined by the total direct grant receipts from all State agencies in the entity’s fiscal year:

Level 1: Less than \$25,000

Level 2: At least \$25,000 but less than \$500,000

Level 3: \$500,000 or more

Level 3 grantees are required to submit an audit. Only Level 3 grantees may include audit expenses in the budget. Audit expenses should be prorated based on the ratio of the grant to the total pass-through funds received by the entity.

Indirect Cost

Indirect cost is the cost incurred for common or joint objectives which cannot be readily identified but are necessary to the operations of the organization, e.g., the cost of operating and maintaining facilities, depreciation, and administrative salaries. Regulations restricting the allocation of indirect cost vary based on the funding source.

This RFA is funded by:

State Funds

NC Division of Public Health limits indirect cost to 10 percent.

Where the applicant has a FNICR, the total modified direct cost identified in the applicant’s FNICR shall be applied up to 10 percent. A copy of the FNICR must be included with the applicant’s budget.

If the applicant has no FNICR, an indirect cost rate may be established by an independent Certified Public Accountant (CPA) using criteria and cost principles outlined in the applicable codes of federal regulations (CFRs):

State, Local and Indian Tribal Governments.....	2 CFR Part 225 & ASMB C-10
Educational Institutions	2 CFR Part 220
Hospitals.....	2 CFR Part 215
Private Non-Profit Organizations.....	2 CFR Part 230
For Profit Organizations (other than hospitals).....	48 CFR Part 31

Under these conditions, a person or firm, preferably one knowledgeable of this subject should establish the rate. This person or firm should not be associated with the audit firm that conducts an audit of the entity's records. Once a rate has been established, this person or firm should certify in writing to the entity that the rate has been established in accordance with the applicable federal circular and that the documentation should be maintained and made available to any auditor requesting such information. Per NC Division of Public Health policy, the total modified direct cost identified in the applicant's indirect cost rate letter shall be applied up to 10 percent. A copy of the indirect cost letter must be included with the applicant's budget.

If the applicant has no FNICR and no indirect cost rate established by a CPA, person or firm, then the applicant may not claim indirect cost in the budget.

ATTACHMENT A: Letters of Specific Commitment & Memoranda of Agreement

This attachment must include a table of contents that lists each letter of specific commitment and each Memorandum of Agreement (MOA) from the following agencies or individuals:

- Letters from current or prospective Community Advisory Board (CAB) members that indicate both their commitment to serve and the responsibilities they will assume as a member of the CAB.
- A MOA from an agency that the applicant will be relying on to successfully implement the proposed program activities. Examples of such agencies include those that will provide referrals to the program, meeting space, child care, transportation, or other resources for program participants. Each MOA must include the specific contribution from the agency to the program and whether the agency will provide a representative to serve on the CAB.
- A MOA from an agency that the applicant will refer program participants to for services beyond the scope of the program. Referrals may include, but are not limited to: contraception, intimate partner violence, mental health, and substance use. Each MOA must include the specific contribution from the agency to the program and whether the agency will provide a representative to serve on the CAB.

ATTACHMENT B: Agency Information

This attachment must include a table of contents that lists each of the following items:

- Organizational chart of the applying agency.
- List of current Board of Directors of the applying agency.
- List of current and/or prospective Community Advisory Board members.
- Job descriptions and/or resumes for all staff positions that are necessary to implement and support the program.
- All applicants must include a copy of the prior year's audit report or financial statement.
- All applicants must include IRS documentation of their tax identification number.
(*Public and Private Non-Profit Agencies*)
- A copy of the IRS determination letter regarding the agency's 501(c)(3) tax-exempt status
(*Private Non-Profit Agencies Only*)
- A completed, signed, and notarized page verifying continued existence of the agency's 501(c)(3) status. Please use the Verification of 501(c)(3) form in Appendix B.
(*Private Non-Profit Agencies Only*)

APPLICATION CHECKLIST

Required Training Programs, Education and Resource Materials

Required Training Programs, Education and Resource Materials

The following is a detailed description of the required training programs, and education and resource materials by topic area for all Healthy Beginnings staff. Proof of completion will be required for all training programs. More details will be provided for the training and education provided by the North Carolina Division of Public Health (NC DPH), Women's Health Branch before the contract start date.

Breastfeeding

HB staff shall attend the NC DPH, Nutrition Services Branch, Breastfeeding Peer Counselor Core Training. This is a free five-day or six-day training session provided by the Nutrition Services Branch's Regional Breastfeeding Coordinators. Information on the Breastfeeding Peer Counselor Core Training can be found at:

<https://www.nutritionnc.com/wic/conferences.htm>. HB staff utilize educational tools designed to educate new moms and fathers/partners about breastfeeding and help them be successful. These educational tools will be provided by the NC DPH, Nutrition Services Branch and Women's Health Branch.

Depression Screening

HB staff shall receive training on the use of the Edinburgh Postnatal Depression Scale (EPDS) and the policy and procedures for screening, interpreting scores, documenting scores, re-screening, and providing education and referrals to program participants from the NC DPH, Women's Health Branch.

Folic Acid/Multivitamins

HB staff shall utilize the March of Dimes (MOD) educational materials on folic acid, prenatal vitamins, and nutrients need before, during and after pregnancy. MOD educational materials can be found at: <https://www.marchofdimes.org/pregnancy/folic-acid.aspx> and <https://www.marchofdimes.org/pregnancy/vitamins-and-other-nutrients-during-pregnancy.aspx>.

Healthy Weight and Physical Activity

HB staff shall utilize the American College of Obstetricians and Gynecologists (ACOG) guidelines on the appropriate weight gain during pregnancy based upon the pre-pregnancy body mass index (BMI). HB staff shall utilize ACOG recommendations and NC DPH, Nutrition Services Branch educational materials on physical activity and eating healthy during the prenatal period and interconception period. Educational materials can be found at: <https://www.acog.org/Clinical-Guidance-and-Publications/Committee-Opinions/Committee-on-Obstetric-Practice/Physical-Activity-and-Exercise-During-Pregnancy-and-the-Postpartum-Period>; www.nutritionnc.com. HB staff shall utilize educational materials for good health and healthy weight from Eat Smart, Move More NC found at: www.MyEatSmartMoveMore.com.

Home Visiting

HB staff shall attend the Florida State University, Center for Prevention and Early Intervention Policy, Partners for a Healthy Baby (PHB) Workshop for Home Visitors. The PHB Workshop is a three-day training that is held in Orlando, Florida. Each HB site shall purchase the PHB digital curriculum (which includes the PHB handouts) each program year. The workshop registration fee, travel and lodging expenses, and digital curriculum fee must

be included in your budget. Information on the PHB home visiting curriculum, workshop schedule, and the purchase/renewal of the digital curriculum can be found at: <https://cpeip.fsu.edu/PHB>.

Infant Safe Sleep Practices

HB staff shall receive training and educational materials on infant safe sleep practices from the UNC Center for Maternal and Infant Health at: <https://www.mombaby.org/safe-sleep/>. Educational materials can also be ordered from the NC DPH, Women's Health Branch at: <https://whb.ncpublichealth.com/Forms/8-7-18-WHB-PubForm.pdf>.

Labor and Childbirth

HB staff shall receive basic education on labor and childbirth provided by the NC DPH, Women's Health Branch.

Postpartum Care

HB staff shall utilize the recommendations from the American College of Obstetricians and Gynecologists (ACOG) Committee Opinion on Optimizing Postpartum Care found at: <https://www.acog.org/Clinical-Guidance-and-Publications/Committee-Opinions/Committee-on-Obstetric-Practice/Optimizing-Postpartum-Care>.

III. Certification Regarding Environmental Tobacco Smoke

Public Law 103-227, Part C-Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000.00 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor certifies that it will comply with the requirements of the Act. The Contractor further agrees that it will require the language of this certification be included in any subawards that contain provisions for children's services and that all subgrantees shall certify accordingly.

IV. Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion Lower Tier Covered Transactions

Instructions

[The phrase "prospective lower tier participant" means the Contractor.]

1. By signing and submitting this document, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of the fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies

available to the Federal Government, the department or agency with which this transaction originate may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant will provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549, 45 CFR Part 76. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter any lower tier covered transaction with a person who is debarred, suspended, determined ineligible or voluntarily excluded from participation in this covered transaction unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this document that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized in paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension, and/or debarment.

Certification

- a. **The prospective lower tier participant certifies**, by submission of this document, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- b. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

V. Certification Regarding Lobbying

The Contractor certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federally funded contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form SF-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.
3. The undersigned shall require that the language of this certification be included in the award document for subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) who receive federal funds of \$100,000.00 or more and that all subrecipients shall certify and disclose accordingly.
4. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000.00 and not more than \$100,000.00 for each such failure.

VI. Disclosure of Lobbying Activities

Instructions

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Use the SF-LLL-A Continuation Sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.
3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.
4. Enter the full name, address, city, state and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or sub-award recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.
5. If the organization filing the report in Item 4 checks "Subawardee", then enter the full name, address, city, state and zip code of the prime Federal recipient. Include Congressional District, if known.

6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the Federal program name or description for the covered Federal action (Item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.
8. Enter the most appropriate Federal Identifying number available for the Federal action identified in Item 1 (e.g., Request for Proposal (RFP) number, Invitation for Bid (IFB) number, grant announcement number, the contract grant, or loan award number, the application/proposal control number assigned by the Federal agency). Include prefixes, e.g., "RFP-DE-90-001."
9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in Item 4 or 5.
10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in Item 4 to influence the covered Federal action.

(b) Enter the full names of the individual(s) performing services and include full address if different from 10(a). Enter Last Name, First Name and Middle Initial (MI).
11. Enter the amount of compensation paid or reasonably expected to be paid by the reporting entity (Item 4) to the lobbying entity (Item 10). Indicate whether the payment has been made (actual) or will be made (planned). Check all boxes that apply. If this is a material change report, enter the cumulative amount of payment made or planned to be made.
12. Check the appropriate boxes. Check all boxes that apply. If payment is made through an in-kind contribution, specify the nature and value of the in-kind payment.
13. Check the appropriate boxes. Check all boxes that apply. If other, specify nature.
14. Provide a specific and detailed description of the services that the lobbyist has performed, or will be expected to perform, and the date(s) of any services rendered. Include all preparatory and related activity, not just time spent in actual contact with Federal officials. Identify the Federal official(s) or employee(s) contacted or the officer(s), employee(s), or Member(s) of Congress that were contacted.
15. Check whether or not a SF-LLL-A Continuation Sheet(s) is attached.
16. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

Conflict of Interest Policy

The Board of Directors/Trustees or other governing persons, officers, employees or agents are to avoid any conflict of interest, even the appearance of a conflict of interest. The Organization's Board of Directors/Trustees or other governing body, officers, staff and agents are obligated to always act in the best interest of the organization. This obligation requires that any Board member or other governing person, officer, employee or agent, in the performance of Organization duties, seek only the furtherance of the Organization mission. At all times, Board members or other governing persons, officers, employees or agents, are prohibited from using their job title, the Organization's name or property, for private profit or benefit.

A. The Board members or other governing persons, officers, employees, or agents of the Organization should neither solicit nor accept gratuities, favors, or anything of monetary value from current or potential contractors/vendors, persons receiving benefits from the Organization or persons who may benefit from the actions of any Board member or other governing person, officer, employee or agent. This is not intended to preclude bona-fide Organization fund raising-activities.

B. A Board or other governing body member may, with the approval of Board or other governing body, receive honoraria for lectures and other such activities while not acting in any official capacity for the Organization. Officers may, with the approval of the Board or other governing body, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. Employees may, with the prior written approval of their supervisor, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. If a Board or other governing body member, officer, employee or agent is acting in any official capacity, honoraria received in connection with activities relating to the Organization are to be paid to the Organization.

C. No Board member or other governing person, officer, employee, or agent of the Organization shall participate in the selection, award, or administration of a purchase or contract with a vendor where, to his knowledge, any of the following has a financial interest in that purchase or contract:

1. The Board member or other governing person, officer, employee, or agent;
2. Any member of their family by whole or half blood, step or personal relationship or relative-in-law;
3. An organization in which any of the above is an officer, director, or employee;
4. A person or organization with whom any of the above individuals is negotiating or has any arrangement concerning prospective employment or contracts.

D. **Duty to Disclosure** — Any conflict of interest, potential conflict of interest, or the appearance of a conflict of interest is to be reported to the Board or other governing body or one's supervisor immediately.

E. **Board Action** — When a conflict of interest is relevant to a matter requiring action by the Board of Directors/Trustees or other governing body, the Board member or other governing person, officer, employee, or agent (person(s)) must disclose the existence of the conflict of interest and be given the opportunity to disclose all material facts to the Board and members of committees with governing board delegated powers considering the possible conflict of interest. After disclosure of all material facts, and after any discussion with the person, he/she shall leave

the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

In addition, the person(s) shall not participate in the final deliberation or decision regarding the matter under consideration and shall leave the meeting during the discussion of and vote of the Board of Directors/Trustees or other governing body.

F. Violations of the Conflicts of Interest Policy — If the Board of Directors/Trustees or other governing body has reasonable cause to believe a member, officer, employee or agent has failed to disclose actual or possible conflicts of interest, it shall inform the person of the basis for such belief and afford the person an opportunity to explain the alleged failure to disclose. If, after hearing the person's response and after making further investigation as warranted by the circumstances, the Board of Directors/Trustees or other governing body determines the member, officer, employee or agent has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

G. Record of Conflict — The minutes of the governing board and all committees with board delegated powers shall contain:

1. The names of the persons who disclosed or otherwise were found to have an actual or possible conflict of interest, the nature of the conflict of interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.
2. The names of the persons who were present for discussions and votes relating to the transaction or arrangement that presents a possible conflict of interest, the content of the discussion, including any alternatives to the transaction or arrangement, and a record of any votes taken in connection with the proceedings.
