

Human Trafficking Prevention Resources

November 2017

Compiled by the Family Planning & Reproductive Health Unit, Women's Health Branch,
Division of Public Health, NC Department of Health & Human Services

NOTE:

These resources alone do not fulfill the federal Title X/Family Planning Human Trafficking (HT) training requirement.

For more details about completing the HT training requirement, please visit <http://whb.ncpublichealth.com/provPart/training.htm>,

- click the "Required Title X/Family Planning Trainings" heading, and
- click the "Human Trafficking" section and complete the instructions.

The NC and national resources are being shared to supplement and update local staff knowledge to assess, identify, assist and refer HT victims and survivors. The handouts, videos, case studies etc. should be shared with staff through emails, meetings and other training opportunities. **The highlighted HT resources are for health professionals.**
