

# Resources for Advancing Health Equity

June 2020

Compiled By:

Women's Health Branch, Division of Public Health

## NOTES:

Effective fiscal year 2019, there are new requirements in the Women's Health Branch Agreement Addenda. The new guidelines require all staff to participate in at least one training annually focused on health equity, health disparities, and/or social determinants of health. Below are free and at-cost training opportunities to meet the new guidelines.

If a web page does not open properly, try an alternate web browser like Internet Explorer, Mozilla Firefox or Google Chrome, copy and paste the web address into another web browser and/or contact your local IT staff.

When I see you through my eyes, I think we are different. When I see through my heart, I know we are the same.  
~ Doe Zantamata

## Training Resources

### Family Planning National Training Center

[Cultural Competency in Family Planning Care eLearning](#)

### TRAIN Learning Network (each person must create an account, multiple courses)

<https://www.train.org/main/search?query=social%20determinants%20of%20health&type=course>

[https://www.train.org/main/training\\_plan/3776](https://www.train.org/main/training_plan/3776)

[Understanding the Social Determinants of Health: A Self-Guided Learning Module](#)

### National Institute for Health Care Management (NIHCM) Foundation

<https://www.nihcm.org/categories/addressing-health-disparities-in-the-lgbtq-community>

<https://www.nihcm.org/topics/population-health/social-determinants-of-mental-health>
